BALLOT COMMITTEE:
Rad[iation]Limits at

LAST
TREE
LAWS

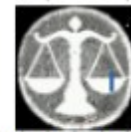

SIGN INITIATIVE PETITION S to:

Monitor cell tower radiation | Limit wireless & electrical radiation to the minimum | **Make disabling wireless easy** | Allow non-wireless utility meters | **Invest in public wired infrastructure - IT & phone** | Hard-wire public buildings | **Create a 2-year commission to study impacts** | Set a 2-year ban on *most* new cell towers & street antennas |

Note industry conned us on wired v. wireless costs (see Bruce Kushnick, New Networks)
